SEVEN TEAMS IN FINALS FOR A.E.F. PIGSKIN TITLE

Series Opens Today When St. Nazaire Meets 89th Division at Colombes

TOURS VS. G.H.Q. SATURDAY

1st Army Champions Play Le Mans Monday—Chief Athletic Officer to Select Officials

The 89th Division, champion of the Third Army, and the crack team from St. Nazaire will meet this afternoon at Colombes Stadium, Paris, in the opening game of a series to decide the football championship of the A.E.F. On Saturday the champions of the Intermediate Section, S.O.S. Tours, will play the eleven from G.H.Q. These four teams constitute the upper half of the draw, and the winners of those two games will meet March 22 in their semi-final to decide which goes into the final.

The draw for the round-robin finals was held Tuesday in the presence of Col. Walt C. Johnson, chief athletic officer of the A.E.F.; Capt. Allan H. Muhr, athletic officer of the District of Paris, and Edward E. Brown, director of the Department of Athletics of the Y.M.C.A. Seven teams are entered.

The lower half of the draw puts the First Army team against Le Mans, the Second Army drawing the bye. The First Army-Le Mans game will be played Monday, March 17, and the winner plays the Second Army in the semi-finals for the lower half of the draw on Sunday, March 22. The final contest will be played March 23.

Unless otherwise announced, all games will be played at 2 o'clock sharp at Colombes Stadium, which can be reached by train from the Gare St. Lazare, station Colombes (not Bois Colombes).

Officials will be selected by Col. Walt C. Johnson, chief athletic officer, A.E.F. Among the list of recognized officials, noted in American intercollegiate contests, are: W. S. Langford, Trinity; Capt. J. J. O'Hare, West Point; Maj. Frank Cavanaugh, former Dartmouth coach; Major Wrightington, Harvard; and Capt. John S. W. Cornell.

The field is being put into condition by a crew of Army Engineers commanded by Maj. A. MacFarland.

The Second Army representative is still in doubt, the 7th and 28th Divisions having to play for that honor. The title in this division was held back by repeated ties, the 24th and 5th Divisions, for example, having to play no less than four times, one game of six quarters, before Carroll, of the 28th, finally made the only score of all the contests a field goal.

In the opinion of many critics, today's game between the St. Nazaire and 89th Division teams will have a most important bearing, it being the opinion that the winner will probably get into the finals.

CANNES BEATEN BY LEATHERNECK NINE

Before a throng that crammed every nook and corner of the Y.M.C.A. athletic field at La Beca, on the Riviera, the 11th Marines, representing the S.O.S., defeated the Cannes team, champions of the southern France, 8 to 2.

The Leathernecks demonstrated that they have one of the best lines in France, they will well beat the Cannes team, and often, and showing an inside knowledge of the fine points of the game. Individually each man is a star and collectively they represent a team of champions.

Single, Nick Carter, formerly catcher for the Cleveland Naps, is backstop, while Singleton and Cantwell form a fine pitching staff.

Singleton and Cantwell opposed each other on the slab, the first named holding Cannes to four hits while his teammates were hoping on Haynes' curves with both feet for a total of 12 scoreless bingles. Singleton, Charlie, Yeckey, Miller and Cobb led the slaughter with two hits apiece.

The game was not without its fielding features. Cannes' diminutive second sacker for Cannes, performing brilliantly around the middle corner. Miller and Petty also put up a good article of ball.

SERVICE SHOW FOR FIRST ARMY CORPS

That the doughboy should understand the various kinds of work the Engineer, the Signal, the Corps man, and the other branches of the Service have to do in war time, and that they in turn should fully understand the doughboys' job, is the purpose of the Service show.

Accordingly he has organized a great exhibition and demonstration of the work of all branches of the United States Army in France, which will open at Tomerre tomorrow—the first event of its kind ever conducted by Americans on foreign soil.

On March 17, the 17th Aero Squadron, and the 1st Cavalry, will be the featured units. The program will be held at the standard events.

RING BATTLES DOWN AT BREST

Boxing continues to be all the rage down at Camp Pontzenne, Brest, where the glove game is conducted under the auspices of the athletic council of which Lieut. Col. Frew is chairman. The manner in which the game is being handled at the camp is a striking demonstration of how the sport can be cleaned up by proper supervision.

When the A.E.F. goes home there will be a lot of boys who learned to box over here who will go in the ring and give the stay-at-home champions an awful run for their money.

The bouts at Camp Pontzenne last week were all interesting. Sherbine, 550th Engineers, put Koi Miller, 17th Aero Squadron, away in one round. They fought at 156 pounds. On the other hand the match between Corcoran, Co. D, 319th Engineers, and Cox, 116th Engineers, went six rounds, Corcoran winning.

Green, Co. A, 319th Engineers, beat Lapina, 104th Engineers; Reager, 32d Engineers, defeated Hyland, 6th Marines; and La Salle, U.S.S. Carolina, won over Sanders, 147th Aero Squadron, all three bouts going five rounds.

HARVARD PAIR WIN

Capt. R. Norris Williams and Capt. Watson M. Washburn, former Harvard tennis stars, captured the doubles last week in the A.E.F. officers' tennis tourney at Cannes, defeating Lieut. Col. Dwight F. Davis, donor of the Davis International Tennis cup, and Chaplain W. M. Dell in the final, 6-1, 6-0.

The tournament, which was concluded with this match, was one of the most successful sports events held in the A.E.F.

WORLD'S GREATEST BASEBALL LEAGUE TO BE IN FRANCE

The world's greatest baseball league will be launched within a few weeks in France. By means of a loan it will make the American and National leagues look like chess club circuits in Italy, N.J.

It will have 1,000 baseball teams which will play for the championship of the A.E.F. Army Corps or division. The league will be played in the States, and the winners will be crowned champions of the world.

Sponsored by G.H.Q. and actively promoted by Lieut. Col. H. M. Nelson, adjutant, First Army Corps, the new league will get off to a flying start before the professional professionals in the States proceed in their pursuit of the prize money. It will play before a mixed audience of doughboys, natural born critics of the game, and French civilians, and the national pastime. The players will play for love of the sport and not for money.

Each Division in the First Army Corps will have in the baseball equipment of 500 minor league baseball players by the wagon load is being rushed to Tomerre for the coming diamond campaign.

DATES FOR A.E.C. FINALS ANNOUNCED

Every Effort Being Made to Locate Best Talent in the New Area

While the other creating the American Basketball Center a separate competitive area in the A.E.F. championships was issued after the First, Second and Third Armies had their athletic programs well under way, the athletic activities throughout the A.E.C. are now well advanced.

The 7th, 26th, 85th, 91st and Le Mans Divisions have held or are holding their eliminations in football, boxing, wrestling, and other sports in order to determine the teams that will compete for premier honors in the athletic carnival to be held in this month. There is every indication that the A.E.C. will be strongly represented at the final Paris meet.

Through the A.E.C. athletic officers are observing carefully the men in their units, and in several places training quarters for boxers, wrestlers and track men are being established.

The following schedule for the A.E.C. athletic championships to be held in Le Mans is announced:

Football—Semi-finals, March 20 to 23; Finals, March 24.
Wrestling—Semi-finals, March 18 to 20; Finals, March 21.
Basketball—Semi-finals, March 15 to 18; Finals, March 19.
Track and Field—Preliminaries, March 21; Finals, March 22.
Baseball—Semi-finals, March 15 to 20; Finals, March 21.

Divisional basketball teams will be organized separately from league teams of divisions, as there will not be time for a complete elimination schedule within divisions before the A.E.C. Championships.

The Le Mans Divisional Area of the A.E.C. created a short track and field team, as there will not be time for a complete elimination schedule within divisions before the A.E.C. Championships.

The boxing finals will be run off tonight. Lieut. Donald Dilatash has been assigned to duty as athletic officer of the division, and is in charge of the track and field talent in the Le Mans area, a preliminary track meet will be held on the French field. The events will include a total of 12 scoreless bingles. Singleton, Charlie, Yeckey, Miller and Cobb led the slaughter with two hits apiece.

The game was not without its fielding features. Cannes' diminutive second sacker for Cannes, performing brilliantly around the middle corner. Miller and Petty also put up a good article of ball.

TALKING IT OVER WITH O'GRADY

Company G, 163rd Infantry, has a highly looking football team which has been cleaning up in the 26th Division.

The eleven is coached by Lt. H. Holmes and captain by E. Saunders. The team is made up of the following: W. Pine, L.E.; C. Kadish, L.E.; J. Butler, L.G.; A. Hart, C.; J. H. Saunders, R.E.; W. Lynch, R.T.; M. Harrison, R.G.; J. B. Saunders, F.B.; A. Montiver, R.H.E.; J. B. Saunders, F.B.; G. Gudway, C.B.

Basketball continues to attract big crowds at G.H.Q. as was demonstrated last week when two good games were pulled off in the Y.M.C.A. auditorium. Co. A of Chaumont won an exciting contest from the strong Orly Acceptance Park five, 36 to 20, which makes the series between these two clubs even.

Earlier in the week an all-star basketball team, the 1st Cavalry, defeated the First Army Headquarters quintette, 31 to 15. The feature of this game was the basket shooting of Gildersteele and the playing of Gerdin and Gebhardt.

The 80th Pioneer Regiment stationed at Provverville has started basketball practice and in a few weeks will be ready to take on any of the A.E.F. teams. One hundred and seventy-eight men reported to the Y.M.C.A. athletic director for the initial practice.

The 24th Engineers are located at a little place called Levallois in a patch of woods about ten miles northwest of Toul. They are unable to follow the A.E.F. training bulletins to the letter, for an exciting contest did not stop when the armistice ended hostilities, and besides, they are S.O.L. as to the athletic equipment. But they are doing the best they can and are at present doing very well.

Company E is now constructing a building guaranteed to provide a place for basketball and inter-company boxing contests. A feature of the recent field day was a "Go-Devil Race" in which the small one-man French teams were pitted against one another. Capt. Charles Larsen winning in a close finish.

Sgt. 1st Class Michael Dorizas, Base Hospital 20, is almost certain to be a contender for A.E.F. wrestling honors. "Mike" was born in Greece, came to America, became a citizen and was educated at the University of Pennsylvania, where in 1914, '16 and '18 he started the collegiate athletic world by his physical prowess. In 1914, '16 and '18 he started the collegiate athletic world by his physical prowess.

Dorizas just four minutes and twenty seconds, all told, to win three intercollegiate wrestling championships through to a five-minute throw six men. In 1916 he won the intercollegiate wrestling championship in less than 80 seconds, throwing Snyder of Cornell in 19 seconds. While at Penn Mike broke the world's collegiate strength record and besides his wrestling honors won honors in track and football.
